- (a) the roster shall be applied separately for every group of fifty *Grams* or Blocks, as the case may be, or for the part group having less than fifty *Grams* or Blocks and, for this purpose, another set of consecutive serial numbers, commencing from figure one, shall be given to them, where necessary, so that reservation may be made on matching such consecutive serial numbers with the identical numbers in the roster, and
- (b) reservation of the offices shall be made when the serial number assigned to a *Gram* or a Block, as the case may be, matches the number obtained in the roster and, for this purpose, the roster shall be taken up from the beginning and followed in sequential order reserving such offices as match the numbers in the roster on ignoring the unmatched numbers until the required number is reached] ;
- (vi) if, following the principle of rotation under these rules, any office is selected in any term of election for reservation for both the Scheduled Castes and the Scheduled Tribes, preference shall be given to reservation for the Scheduled Tribes and, thereafter, reservation for the Scheduled Castes shall be made of the *Gram* or the Block, as the case may be, coming next in order ;
