Sub: Compilation of The West Bengal State health Service Act and Rules

Publication of important government orders of the health & FW Department in the form of the 'Health Manual' has been in practice. It has not been updated for a considerable length of time. Publication of such manuals along with updated GOs has been under the active consideration of the department for sometime past.

The Department has decided to bring out such manuals in a phased manner. As a part of the process a compilation The West Bengal State health Service Act and Rules has been under taken by the Strategic Planning Cell-State Resource Centre.

It is expected that a comprehensive job-description would be useful to the functionaries of the department.

Sub: Clarification regarding Option Rules of WBPHAS.

In Clause-4, Sub Cluause-1 of the West Bengal Public Health –cum-Administrative Service (Option) Rules, 2004, it has been mentioned that “any person appointed in the tiers of Basic Public Health-cum-Administrative Officer or Public Health –cum-Administrative Officer Group-B of the West Bengal Public Health –cum-Administrative Service Subject to the provision of Section-8A of the West Bengal Health Services Act, 1990 and in terms of these Rules shall be eligible for opting out to a post in the West Bengal Health Services” whereas Para-2 of the Option Form shows “ The option hereby excised is final and will not be modified or withdrawn at nay subsequent date”.

This has created some confusion among the eligible officers of the Health Directorate. In this connection, it may be state that necessary provision for opting out of the Officers of the lower two tiers of newly created WBPHAS namely (a) Basic Public Health –cum-Administrative Officer and (b) Public Health –cum-Administrative Officer Group –B has been done subject to the provision of Section-8 of the WBHS Act, 1990 with the concurrence of the Finance Deptt.

Therefore, necessary scope has been provided for the Officers of the lower two tiers mentioned above, who opted/ will opt in WBPHAS within the stipulated option period, to opt out from the WBPHAS, if he/she desires.

All concerned Officers may be informed accordingly.
