Memo No.DME/Spl/Corresp/75/2015

Dated 25-05-15

From: Director of Medical Education & Ex- Officio Secretary to the Government of West Bengal.

Circular

Due to unprecedented heat wave passing through the entire State the patient parties along with the relatives of the admitted patients and OPD patients are suffering from agonizing heat effects .All possible steps should be taken so that all the cooling equipments including the fans remain functioning through out. Moreover there should not be any scarcity of water at any time. All the concerned Directors/Principals of all Medical Colleges and all the concerned Officers of the departments of PHE & PWD are hereby notified to take the matter seriously and take urgent actions for the same.

Director of Medical Education & Ex-Officio Secretary
Government Of West Bengal
