No.831-DYS/2S-79/2014

Dated, Kolkata, the 07th June, 2016

From : The Director
Youth Services

To : 1) The District Youth Officer, _____

2) The Law Officer in Administrative charge of SYC, Moulali.

Sub: Syllabus for Youth Computer Training Centre

You may be aware of the fact, that Youth Services Department, Government of West Bengal is going to implement an "Electronic Examination and Assessment System (EEAS)" for all courses running across the state in all Youth Computer Training Centres from July, 2016 onwards. This will ensure standardization of course assessment and evaluation, reduce the burden and errors caused by manual evaluation of exam papers and also help in automatic setting exam paper, generation of certificate etc.

Previously, we made a thorough discussion on this matter with the representative of HPE, on 28th and 29th March, 2016 at SYC, Moulali.

In that workshop some YCTCs emphasized the need of a uniform syllabus, from where question papers would be set up by the HPE.

Considering their suggestions, common a syllabus, is enclosed below herewith, which will be followed by all YCTCs.

In this connection, he/she is requested to circulate this syllabus among the YCTC's under his/her jurisdiction at an early date.
