No. 289-WT/TR/1E(C)-40/16

Date - 20.01.2017

**NOTIFICATION**

In a recent decision, State Government decided to allow online registration applications along with payment of fees and taxes over internet through the e-Vahan application and GRIPS respectively after integration of the two web based applications, with a view to enhance "ease of doing business" in this State. As the integration has been achieved, the State Government in the Transport Department has decided that the combined facilities will be introduced in phases beginning with the PVD, Kasba and Alipore motor vehicle offices on 31/01/2017 in a pilot mode for real time stabilisation of the integrated applications, as aforesaid, in the manner as below:

Scope: Online application with e-payment of fees and taxes for registration of motor vehicles by the concerned dealers.

Conditions: Such scope shall be subject to strict observance of the following:-

1. Applicable for Non-transport vehicles like cars and two wheelers only.
2. In cases of individual owners only and also in cases where the vehicle is owned by a company / farm, etc. for vehicles having seats up to 7, (i.e. 7 i.d.)
3. Documents that may be accepted as Proof of Address will be as provided for in Rule 4 of C M V Rules only. Only affidavits will not be accepted. Additional acceptable documents as proof of address may be as per this Department no 2473-WT/3M-31/2008 dtd 12/07/2012.
4. No registration of vehicles will be done other than the cases mentioned above.
5. No cases involving allotment of fancy number fees will be accepted and such cases will be referred to the concerned Registering Authority (RA) only.
6. Concerned dealer will not deliver any vehicle without HSRP affixation.
7. No registration cases should be taken up involving exemption of fees and / or taxes and the files should be sent to the concerned RA only.

8. Since e-Vahan is internet based and all concerned will be working in a single database, the authorised dealers must apply for and obtain RA-specific userid and password from the RA having jurisdiction, i.e. where they have approved showroom and valid Trade Certificates (TC). However, considering the 'ease of doing business' aspect, application for additional userids may be made by any dealer in the manner as below:
  - a. For all offices in any district wherever they have obtained TCs in any of them, viz, a TC holder from PVD, Beltala may opt for additional userids for the offices at Kasba, Salt Lake and Behala.
  - b. Such facility may be extended to a maximum of three contiguous districts as well, if so opted by any dealer, to enable them to send vehicles to those RA offices on the strength of valid TCs, viz, a TC holder of PVD Beltala will be able to register a vehicle in Alipore or Howrah, subject to strict observance of rules governing such use of TC.
  - c. In all other cases they will take recourse to the temporary registration process and deliver the vehicle to the owner only after temporary registration.
9. A detailed list of "Do's and Don'ts" has been attached herewith for strict compliance by the dealers opting for online registration application with e-pay process (Annexure - A).
10. Another document detailing the online work process has been attached (Annexure - B).
11. A form for application for userid creation by dealers is attached herewith (Annexure - C).

One week after stabilisation of the work processes, this facility will be extended to all e-Vahan enabled offices. Thereafter, e-Vahan will be rolled out in any office along with such facility only.

It may be noted that this is an option for the dealers and not mandatory for them. Violation of any condition, as aforesaid, by any dealer may attract immediate withdrawal of such facility and actions thereto against him in terms of the extant provisions of Law and related orders that have been issued. All concerned will act in strict accordance with the above.

This order is issued in the interest of public.

By order of the Governor
