Dated, 25th October, 2019

NOTIFICATION

Sub: Introduction of facility for submission of Life Certificate through Digital mode for the Pensioners/Family Pensioners drawing Pension through the Treasuries of West Bengal

In terms of Sub-Rule-2 under Rule 4.171 of West Bengal Treasury Rule-2005 every Pensioner/Family Pensioner drawing pension from the State Exchequer is required to submit Life Certificate mandatorily in the month of November each year as per format provided therein. The Life Certificate in the prescribed format duly verified by the authorities mentioned in the Rule is to be submitted to the Pension Disbursing Authority either directly or through the Bank. Under the existing provision Pensioners are required to visit the Treasury or the Bank-Branch in which they have their Pension account for submission of Life Certificates, which often causes great difficulties to the aged pensioners as well as to those Pensioners whose residences are far away from the Bank-Branch/Treasury. Moreover, printing of physical copies of blank Life Certificates, their delivery to the disbursing bank-branches beforehand, verification and collection of Life Certificates, scrutiny and their entry in system, preserving the physical copies of life certificates etc. involve a great deal of man power and cost.

2. The Government was considering from sometime past to provide a facility for submission of Digital Life Certificate by the Pensioners/Family Pensioners without physically appearing at the particular Treasury or Bank. **Accordingly the Governor is pleased to introduce the facility for submission of Digital Life Certificate to leverage the benefit of digitization for the Pensioner/Family Pensioner drawing pension from the State Treasuries in addition to existing facility of submission of physical Life Certificate at the Treasuries/Banks.** It has been decided that the Pensioners/Family Pensioners including those in receipt of pension through Money Order will have the option of submitting Digital Life Certificate. **It may be pertinent to mention here that submission of Digital Life Certificate is fully optional. The pensioner may continue to submit physical Life Certificate at the Bank/ Treasury following the existing procedure.** The Pensioners/Family Pensioners have the flexibility and choice of selecting a method for submission of Life Certificate which is convenient to him/her.

3. The actions to be taken by the Pensioners/Family Pensioners, Pension Disbursing Treasuries and the method of submission of Digital Life Certificate including processing of the same at the Treasuries are detailed in the **Annexure-A & Annexure-B.**

4. Pensioner/Family Pensioner may also visit any nearest Treasury or Bank-Branch having the facility of submission of Digital Life Certificate after 'Onetime Registration' is completed in the Pension Disbursing Treasury.
5. However, at present the facility for submission of Digital Life Certificate is not available for those Pensioners who are re-employed after retirement, employed Family Pensioners and Unmarried daughters in receipt of Family Pension. They shall continue to submit Life Certificate and re-employment/employment declaration/declaration of non-marriage as per existing process.
6. Submission of Life Certificate and Non-Remarriage/ Non-Employment declaration through Digital mode as stated above shall have the same legal implication as of physical mode. Any false declaration in this regard shall be treated as misconduct and misrepresentation of fact for taking legal action as per rule.
7. User Guidelines for submission of Digital Life Certificate through Jeevan Pramaan Portal is available under the 'Guidelines' of IFMS Portal.
8. This order shall take effect from 1st November, 2019. Necessary amendments in West Bengal Treasury Rule shall be made in due course.
