

WEST BENGAL BOARD OF SECONDARY EDUCATION

No. S/122 Date: 02.05.91

To: The Heads of all recognised Secondary Schools.

Sub: Sanction of special leave on full pay to a teacher intending to appear of an examination under Rule 5(ii).

It has been observed that some members of the teaching staff of recognised secondary schools, in order to have higher qualification are appearing at Special Honours/M.A. Examination as Private candidate in any subject of their choice, not relevant to the (Subjects) taught by them in school, such as B.Sc. (Bio) teachers appearing M.A. Examination in Bengali/English/History etc. It is also observed that the school authorities are also sanctioning special leave on full pay to such teachers for appearing at the said examinations under rule 5(ii), subject to the approval of the Board and thereafter sending those cases to the Board for according approval.

A few such cases were placed before the Executive Committee of the Board at its meeting held on 14.2.91 for consideration. It was decided that the Board shall not grant special leave under Rule 5(ii) to such teachers.

This may be brought to the notice of all concerned for information & guidance.
