PART I—Orders and Notifications by the Governor of West Bengal, the High Court, Government Treasury, etc.

GOVERNMENT OF WEST BENGAL**Department of Tourism****General Establishment Cell****Block- 'A', 3rd Floor, N. S. Building, 1, K.S. Roy Road, Kolkata - 700001****NOTIFICATION**

No. 377-TM/5T-19/2020

Date: 25.02.2021

Working Capital Support Scheme-Relief Scheme for the tourism industry in the wake of COVID-19 pandemic.

West Bengal, with its geographic diversity is uniquely positioned to emerge as a top all season tourist destination in the country. In the last few years, consistent improvements in infrastructure and services pertaining not only to tourism but *inter alia* road connectivity and law and order have enhanced the tourism potential of West Bengal. Tourism has evolved as one of the important drivers of growth of the state economy. The travel and tourism sector's total contribution to West Bengal GSDP including spillovers to other sectors is around 11% against a national average of 9.6%. This sector also contributes to significant employment opportunities. West Bengal has seen an exponential growth in domestic and international tourist arrivals in the state. There has been an increase of 73.10 % in international and domestic airlines touchdown in the state from 2012-13 to 2018-19. The State Government introduced the "West Bengal Home-stay Tourism Policy 2017" and the "West Bengal Tourism Incentive Scheme 2015" to promote investment in the tourism sector.

However, the COVID-19 pandemic has adversely affected the growing tourism and hospitality sector. The loss of travel and tourism in the peak summer months especially to North Bengal has crippled the stakeholders especially based out of North Bengal and across the state. It is expected that delay in the leisure traveler's sentiments for non essential travel may take more time to recover. Over 75% of the tourism industry is in small and medium category. Tourism stakeholders with no business and no income for last few months find it difficult to function without working capital assistance. It is felt that provision of loan scheme to support the tourism industry to mobilize working capital can help the industry afloat in wake of the serious losses due to Covid-19 global pandemic. It will help in management of cash flow and rebuilding the infrastructure to enable the small entrepreneurs to resume business as soon as the travel restrictions are lifted.

Accordingly, I am directed by the order of the Governor to say that the Governor is pleased to introduce the scheme "**PARYATAN SAHAYATA PRAKALPA**" (name is indicative) as a Relief Scheme for the Travel and Tourism sector in West Bengal.
