NOTIFICATION

Attention : All Heads of Higher Secondary Institution

It has come to our notice that a substantial number of students of Class XI are still not having their Aadhar Card and Caste Certificate. In order to enable these students to get themselves registered in the H.S curriculum, I am directed to inform that the Council is providing certain relaxation for the time being in the above mentioned aspects :

- Filling up of the field “Aadhar Number” in the online Registration form is being made “optional”. Please note that, Aadhar No. will be needed for these students at the time of enrolment for H.S Examination 2024. The Head of the Institutions are being requested to ensure that these students without an Aadhar No. get their Aadhar Card at the earliest.
- In lieu of caste certificate, a declaration from the Head of the Institution will be accepted for the time being. Just like the Aadhar Number, submission of caste certificate will be mandatory at the time of enrolment for HS Examination 2024.

Regarding the online portal which has been launched very recently, it is being notified that, some navigation tabs in the online portal will be kept disable for the time being other than the online Registration and the submission of Class XI Annual Examination fee. Work is in progress in regard to functionality of these disabled features and all the facilities will be made operational sequentially at the earliest.
