**Notification**

**Kind Attn : All Heads of Institution , Head Examiners, Examiners , Subject  
teachers and examinees of Higher Secondary Examination , 2023**

This is to inform that the orientation of the Question paper in all the subjects of Higher Secondary Examination, 2023 will be as follows :

- The topic-wise question pattern for all the subjects as notified earlier remains unchanged.
- Though the question pattern of several subjects are showing breakup of the syllabus in parts [ Part-A/B/C etc ], there will be no part-wise breakup in the HS question paper , which will be provided to the examinees.
- There will be a single Question paper and a single answer script for all subjects.
- All MCQ s will be clubbed under Question No. 1 and all SAQ s will be clubbed under Question No. 2 in the Question paper, irrespective of parts or topics.
- The descriptive questions of all categories [irrespective of allotted marks ] will start from Question No. 3 onwards.
- Space will be provided in the answer script for answering MCQ and SAQ type questions [Question No. 1 & 2 respectively] and the examinees are being instructed to strictly use the prescribed space for answering these two type of questions.
