**Subject :** Regarding State Achievement Survey (SAS), 2022.

Madam/Sir,

The National Achievement Survey (NAS) is a national level assessment conducted to obtain information about the learning achievement of students of Class III, V, VIII and X studying in State Government, Government Aided, Private Unaided and Central Government Schools. During 2021, after the results came out of the NAS, West Bengal ranked 9<sup>th</sup> among all States, marking an improvement of 5 scale points from the last NAS in 2017. This calls for continuing with the current endeavour and keep a regular check on the learning achievement levels of the school students.

In view of this, a need was felt to develop a mechanism for a similar survey at State level. The State government has approved to hold a State Achievement Survey (SAS) from 2022 on regular basis. The State Achievement Survey (SAS) for 2022 will be held in **12<sup>th</sup> December 2022**.

- A. Conduct assessment test of students in Classes III, V, VIII and X in selected schools.
- B. Analyze the performance of participating students and assess achievement level.
- C. Design and develop remedial actions to achieve further improvement.
