Memorandum

Sub : Introduction of Pension Payment Slip to the State Government pensioners.

The question of affording some better customer service to the State Government pensioners like their counter parts under Government of India, drawing pension from the Public Sector Banks, has been engaging the attention of the State Government for sometime past. The Reserve Bank of India has also suggested that pension slips to State Government Pensioners in line with that in place for the Central Government Pensioners should be introduced.

The Governor has now been pleased to decide that henceforth the pension paying banks will issue Pension Payment Slips to the Government Pensioners as per the format annexed below.

By order of the Governor,

Joint Secretary to the
Government of West Bengal.
