Invitation of Opinion

For the benefit of the candidates for Higher Secondary Examination, little modification in H.S. marksheet is proposed to be made from H.S. Examination, 2016.

Previous procedure of Calculation of Grand Total and Overall Grade :

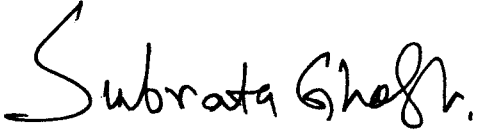

Calculation of Grand Total is done by considering marks of two Language and best three Elective subjects including Optional Elective Subject, if any, and accordingly Marksheet is printed. Overall Grade is calculated by dividing Grand total by five.

Proposed procedure of Calculation of Grand Total and Overall Grade :

Calculation of Grand Total is done by considering marks of BEST FIVE SUBJECTS INCLUDING LANGUAGES, ELECTIVE SUBJECTS AND OPTIONAL ELECTIVE SUBJECT, (if any). The Marksheet is printed accordingly. Overall Grade is calculated by dividing Grand total by five.

The valued opinion of educationist, students & others is welcome through email id : secretary@wbchse.ogr.in
