NOTIFICATION

Last Chance of Admission to D El Ed Regular Course-2017-2019

It is learnt that in spite of repeated notifications of the Board for admission to D El Ed Regular Course-2017-2019 in the Self-financed, Non-Government Unaided Institutions, some seats in a very few such Non-Government Unaided Institutions, mentioned in the list, have been lying vacant after 28/08/2017.

Therefore, in continuation of our earlier notifications for admission, the intending candidates are requested to contact the Heads of the Institutions, mentioned in the following list for admission to Two Year D. El. Ed. Course against vacant seats.

And, the applicants who were shown 'rejected' earlier on certain technical grounds, can also apply afresh to the Heads of any of the listed Institutions for admission on payment of the required application fees.

Further, the applicants who have Application Ids, but rejected due to 'non-payment of fees' in the desired manner, they may also apply afresh to the Heads of any of the listed Institutions on payment of the application fees.

The Heads of the listed Institutions are requested to admit the eligible candidates on 'first come first serve' basis against all the vacant seats on and from 29th August, 2017 to 3rd September, 2017 and thereafter to upload also the testimonials of the admitted candidates along with the application fees online to the West Bengal Board of Primary Education positively by 6th September, 2017

It is also notified for all concerned that the Registration Certificates for the candidates will be issued only to the candidates admitted and whose particulars have been uploaded up to 6th September, 2017. The number of admitted students will never exceed the sanctioned intake under any circumstances.

The admitted students will join classes provisionally immediately after such admission and the Institutions should arrange some special classes for upgradation of such students.

The process of registration will start immediately after the 6th September, 2017. If any of such students are found to be deficient of the minimum qualifications for admission, the Board will cancel the admission.

Guidelines for uploading the particulars of students will be given on Institution-login
